

Please inform us if you are using our manifest as we would like to add your name to the list above.

#### DoHET accreditation ↑

The following lists are regarded as accredited journals by the South African Department of Higher Education and Training (DoHET):

##### Journals **appearing on the IBSS:**

- [International Bibliography of the Social Sciences \(IBSS\)](#)

##### Journals **appearing on the three indices of Thomson Reuters products:**

- [Science Citation Index](#) (*Bothalia - African Biodiversity & Conservation* is on this list)
- [Social Sciences Citation Index](#)
- [Arts and Humanities Citation Index](#)

**List of approved South African journals:** Journals that do not appear in the abovementioned international indices but are published in South Africa and meet specific criteria may be included in this list.

- [List of approved South African journals as maintained by the DoHET \[Updated 2015\]](#)

**In conclusion:** *Bothalia - African Biodiversity & Conservation* meets the criteria of the DoHET (see List of approved South African journals as maintained by the DoHET and Science Citation Index). It is therefore accredited and approved by the DoHET for its inclusion in the subsidy system for being a research publication for South Africa.

#### DoHET accreditation - New Policy ↑

The following lists are regarded as accredited journals by the South African Department of Higher Education and Training (DHET), with the revised policy in 2016:

- [ISI](#) [*Bothalia - African Biodiversity & Conservation* is on this list]
- [IBSS](#)
- [SA List](#)
- [Scopus](#) [*Bothalia - African Biodiversity & Conservation* is on this list]
- [Scielo SA](#)
- [Norwegian List](#)

**In conclusion:** *Bothalia - African Biodiversity & Conservation* meets the criteria of the Research Output Policy. It is therefore accredited and approved by the DHET for its inclusion in the subsidy system for being a research publication for South Africa.
